Outgoing No. 21/08/24/1August 21, 2024

Ms. Noriko Aoyama

Dear Ms. Noriko Aoyama!

The Charitable Foundation "City of Goodness" sincerely thanks Ms. Noriko for your charitable contribution of \$ 5 795,54, which we received on August 19th through the Embassy of Ukraine in Japan. This support is extremely important to the City of Goodness and our beneficiaries, as your efforts allow us to cover utility expenses and pay for electricity and waste disposal bills almost until the end of this year.

Your contribution provides warmth and comfort for the women and children who have found shelter at our foundation. Among them are women and children forced to leave their homes due to the war, orphans evacuated from three orphanages in areas where shelling continues, and women with children who have found themselves in difficult life circumstances. Your support allows us to create an environment where these people feel cared for and safe.

We were extremely pleased to learn from our Ambassador in Japan, Tsuji Valeriya, about how you raised these funds. Your idea of creating calendars with dishes is a true example of how creativity and kindness can change the world. We were amazed by this magical idea. We have seen these calendars, and they are indeed wonderful!

We commit to reporting to the Embassy on how your charitable contribution is used by the 20th of each month. We can also send you financial reports, with all supporting documents, directly until the total amount is utilized.

Once again, thank you from all our hearts for your generosity and care. Your support is critical to the City of Goodness and those who have found a true home here. You help us bring light and hope to where they are desperately needed.

**With best regards,
Chairman of the Board
"City of Goodness"**

Marta Levchenko
